A Notice of Allowability and Notice of Allowance and Fee(s) Due mailed September 7, 2004, was received by Honeywell International Inc. The Notice of Allowability indicated that corrected drawings need to be sent including changes required by the Notice of Draftsperson's Patent Drawing Review (PTO 948) dated September 2, 2004. Replacement drawings were sent in response to that review as indicated by the return postcard dated August 9, 2004 (copy enclosed). It is clear that the Drawing Review did not pertain to the replacement drawings sent in August, as the objections were addressed and cleared up at that time.

Enclosed are the replacement formal drawings for review and incorporation in the patent to be issued.

Respectfully submitted,

ohn G. Shudy, Jr., Reg. No. 31,214
